## WP3-D8: ARCHITECTURAL MODEL AND FUNCTIONAL SPECIFICATION

**Version:** 7.0

**Date:** 08/06/21

Element	Description
Title	ZCR: ConOP™ Energy; Architecture Model and Functional Specification
Creator	
Subject	Architecture, and Technical Specification
Description	<i>This document is intended to provide a high-level Architecture Model and Functional Specification requirements for an energy management and optimisation implementation for the ZCR project. The document is focussed on the elements to be provided by Conigital, with some consideration for how a demonstration of the system will require integration with the Keele SEND facility and Rugeley Town facilities as a Proof of Concept (PoC).</i>
